ORDER

Before

DAVID F. HAMILTON, *Circuit Judge*
MICHAEL Y. SCUDDER, *Circuit Judge*
THOMAS L. KIRSCH II, *Circuit Judge*

No. 21-3343	IN RE: TIMOTHY D. YOUNG, Petitioner
Petition for Writ of Mandamus	
District Court No: 1:18-cv-02147-TWP-MJD District Judge Tanya Walton Pratt	

Upon consideration of the **MANDAMUS**, filed on December 20, 2021, by the pro se petitioner,

IT IS ORDERED that the petition for writ of mandamus is **DENIED** as frivolous.

IT IS FURTHER ORDERED that until Timothy D. Young has paid in full all outstanding fees and any sanctions in all civil actions he has filed (including this petition), the clerks of all federal courts in this circuit will return unfiled any papers submitted either directly or indirectly by or on behalf of Young. This order does not apply to criminal cases or petitions challenging the terms of his confinement and may be reexamined in two years under the approach of *Support Systems Int'l Inc. v. Mack*, 45 F.3d 185, 186–87 (7th Cir. 1995). This order also does not apply to any suit that Young files while in imminent danger of serious physical injury, and that requests judicial aid in bringing that danger to an end. Whether such a danger exists is a question for the district court in the first instance. If a claim of imminent danger is made, clerks of court should accept Young's papers until the district judge rules on the claim.
